Mr. TJ Rogers
President
Accurate Controls, Inc.
326 Blackburn Street
Ripon, Wisconsin 54971

Dear Mr. Rogers:

As the Director of Detention and Court Services for the St. Lucie County Sheriff's Office, I have the direct oversight of the St. Lucie County Jail. After several years of planning, this past year was spent on numerous projects transforming and updating various systems in the jail, some which were antiquated, including electronic door controls, alarm systems, cameras and monitors for the security system. Accurate Controls and Project Manager, Tyler Henslin played a huge part in the successful completion of these projects.

Mr. Henslin worked diligently from the description specifications, job planning, to the execution and completion to ensure all these projects and systems were well integrated. He worked collaboratively with our staff, our policies, and tool control to meet our needs during the numerous facets of the projects. Mr. Henslin was flexible with changes for improvement, received direction well, understood the critical nature if system failures were to occur and responded to all issues along the way.

I understand the vital necessity for a strong partnership between the Sheriff's Office staff and the contracted professionals working in a secure facility as the jail. Accurate Controls and Mr. Henslin's professionalism, devotion and pro-active methods working with our staff and other applicable vendors have allowed us to upgrade our facility; therefore, improving the overall operations of the facility for those who work and visit as well as the care, custody and control of the inmates residing in the St. Lucie County Jail.

The St. Lucie County Sheriff's Office considers Accurate Controls as partners in our mission to provide public safety to our community.

I am pleased we selected Accurate Controls as our system provider and highly recommend Accurate Controls to other jails looking at upgrading or replacing their electronic systems.

Respectfully,

A handwritten signature in black ink, appearing to read "Major Patrick Tighe".

Major F. Patrick Tighe
Director of Detention and Court Services
